

THE GALTON INSTITUTE

EPIGENETICS: Where Life Meets the Genome

**A one-day conference organised by The Galton Institute
Wednesday, 10th November, 2010
at
The Royal Society
6-9 Carlton House Terrace, London, SW1Y 5AG**

SPEAKERS:

**Professor Adrian Bird, CBE, FRS, FRSE
Epigenetics and chromatin**

**Professor Azim Surani, CBE, FRS, FMedSci
Germ cells: The eternal link between all generations**

**Professor Bernhard Horsthemke
Role of genomic imprinting in human disease**

**Professor Peter A Jones
The cancer epigenome and epigenetic therapy**

**Dr Vardhman Rakyan
Epigenetics in multifactorial disease**

**Professor Marcus Pembrey, FMedSci
Summary and concluding thoughts**

Admission free but strictly by ticket from:
The Galton Institute, London SW18 1PE
